

'Memory Box' Homework Grid- Spring 2  
Italy and India

Please complete one activity from the grid below **each week**. We can't wait to see your learning.

**History**

Bring in or send your teacher a photo of your most treasured 'old possession'. This could be a teddy bear, a piece of jewellery, a family heirloom, etc. We will use these to make memory boxes.

**English**

1. Rewrite a traditional tale, changing some of the characters, setting or plot- be as creative as you like!
2. Keep a diary over 1 week and share it with your class.

**Maths**

Make sure you are practising your number facts on Numbots. We will be giving 25 Dojo points to the most frequent users each week.

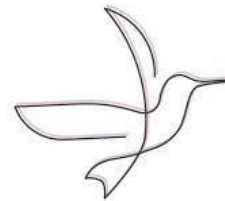

**Science**

Take pictures of plants you find to and from your walk to school or when you are out and about. Can you name any of them?

**Art**

Close your eyes and make a continuous line drawing. This means that your pencil cannot leave the paper. Open your eyes and look at your work. What could it be? How does it make you feel?

**PE**

How many times can you bounce a ball without losing control? Record your results.

Watch this video...can you follow some of the moves? Search for some traditional flamenco songs and have a go yourself!
