**Lemonade and cake** – Henry, William and Noah in NZ are having a lemonade and cake stand after school in the Wednesday 19th June to raise money for the Big Top. Please do support them.

**Pentecost Eucharist** – Thank you to those parents who attended the Pentecost Eucharist. Thank you to Father Paul for such a joyous Eucharist and it was great to see Year 4 contributing with their banners and year 3 with their bunting.

**William Orrell News Report:** Saturday 8<sup>th</sup> June 2019 Colour Run. On Saturday the 8<sup>th</sup> June, St Marys School hosted their annual Colour Run. Personally I didn't run because I decided it would be more fun to get revenge on people I like than to run with people I like. There were lots of stalls including Wet the Teacher, The Chocolate & Bottle Tombola and Adopt a glowing teddy station. It rained quite considerably towards the end of the event and at the other times too; but still the event went on.

**Bignor Roman villa** – New Zealand and Ireland class have been out exploring The Romans at Bignor Roman villa today. This is right on our doorstep and has a wealth of activities.

**Vine leaves:** Zion E (Mex) was awarded a vine leaf for humility as well as being praised for his manners and politeness. Ethan (France) was given one for humility as he is constantly putting others before himself.

**UK and China church visit** – UK and China went up to church together on a treasure hunt. They explored the church together and learnt about artefacts. Fr Paul was able to conduct worship with the children and blessed them as they made their way back to school.

**Church concert** – Tickets are now on sale at the school office for this event on Tuesday 18th June and it is great that we are showcasing the children's talents. This will be a real celebration of talents that the children have.

**Duck Race** – The Duck Race is on Saturday 15th June. Please do head down and look at the classes' book floats that will be on the river.

**Swimming Gala:** Well done to the children who took part in the swimming gala at Billingshurst Leisure Centre. We came fourth overall and were praised for our behaviour and team spirit.

Job opportunity – We are looking for a cleaner.

**Just Enough** – Phil Knight popped into school on Monday to talk about his summer holiday club. If you would like more information, please see the banner on the front gate or go to their website [www.justenough.co.uk](http://www.justenough.co.uk)

**Dance at The Weald** – Year 4 and Year 5 girls went to The Weald for an enrichment session on Dance.

**Ingfield Manor:** UK Class went off to Ingfield Manor on Wednesday and enjoyed the day despite the downpours.

**Viridor.** On Monday the 10th June U.K. and Austria classes had a visit from Jo Norman from Viridor. She told us all about the machines at the Ford Recycling Plant and how they sorted the different materials from our recycle bins. The children then explored a huge selection of materials that Jo brought with her; thinking about which could be recycled, taken to the dump or if we needed to take them somewhere else such as a charity shop.

All the children then got to decorate a reusable cotton bag to take home. They added on recycling symbols and images of rubbish trucks by tracing them through the fabric. We are looking forward to seeing them reusing their bags and hearing about their recycling work as they move up through St. Mary's.
