**Welcome** Happy New Year.

Thank you for all the Christmas wishes, cards, gifts and contributions towards the Creative Glass Voucher for my stained glass hobby. The children made a fantastic start last term and I'm sure you will agree that they were amazing in their Nativity production. This term we will build upon this knowledge, their skills and confidence to move their learning forward even further.

### Personal, Social and Emotional Development

## Foundation Stage Newsletter Spring 2024

### Mathematical Development

Pupils will continue to develop their subitising and counting skills and explore the composition of numbers within and beyond 5. They will begin to identify when two sets are equal or unequal and connect two equal groups to doubles. They will begin to connect quantities to numerals.

Pupils will:

- continue to develop their subitising skills for numbers within and beyond 5, and increasingly connect quantities to numerals
- begin to identify missing parts for numbers within 5
- explore the structure of the numbers 6 and 7 as '5 and a bit' and connect this to finger patterns and the Hungarian number frame
- focus on equal and unequal groups when comparing numbers
- understand that two equal groups can be called a 'double' and connect this to finger patterns
- sort odd and even numbers according to their 'shape'
- continue to develop their understanding of the counting sequence and link cardinality and ordinality through the 'staircase' pattern
- order numbers and play track games
- join in with verbal counts beyond 20, hearing the repeated pattern within the counting numbers

**Other Key Vocabulary:** mass/heavier/lighter; capacity/full/ half full/ nearly full/ nearly empty/empty; length/height/measure/longer/taller/shorter; time/before/now/after.

### Expressive Arts and Design

- Everyday machines, can they design their own? What could it do? How would it be powered?

- Painting a bird

- Photographer Todd McLellan's work on 'Things Come Apart'

### Understanding the World

- Christian Values; Humility, Forgiveness and Service.

- RE - Salvation; How can we help others when they need it?

- Exploring 'Marvellous Machines'. Have fun completing the 'Machine Hunt' at home. We will be learning about how we use many of these everyday machines, and how others might use them. Then we will move on to investigate how vehicles are machines; and find out about different emergency vehicles. We will also explore how machines have changed over time; that they use energy (steam, electric - including batteries, from us); and how some materials are magnetic whilst others are not. Amberley Museum Trip to finish the topic.

- Big Schools' Bird Watch - identification of common garden birds & feeding the birds; data to be submitted by half-term.

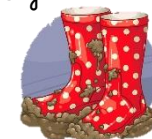

- Purple Mash - Creating Pictures. At home have a look at the Cbeebies Make and Colour section.
