WB 23rd May 2022

Thank you for all the support over this last half term. We are so proud of the children and staff of St Mary's and the effort that they give to all that they do.

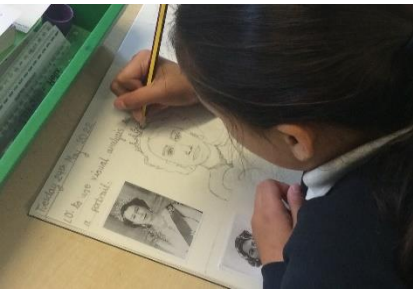

Jubilee celebrations – The Queen’s jubilee has been celebrated today all the way through the school and it was great to see the children in red, white and blue. We have had the opportunity to talk about The Queen, her Platinum Jubilee and British Values. Please see the photo page at the end of the newsletter.

Silver Sports Award - We are also celebrating a Silver Sports Games Award for all the school’s effort in PE and physical activity. We have had so many children out at competitions over the last two terms and the effort of the children and Mrs Gowland, Mrs Burbidge and Mrs Treadwell has been recognised. Well done to everyone.

Bottle tops – We have started our piece of artwork for the Jubilee and it is taking shape, thank you to everyone who has donated bottle tops. We do need more red bottle tops to finish the art. If you have any then please send them in.

Art - Jubilee projects across the school

Trustees for our PTA – we are looking for trustees to help run the PTA. The PTA is vital to ensure that the children get the extra bits to enrich their education.

Why are you looking for trustees? Friends of St Mary's CofE (aided) Primary School Pulborough, (the PTA) is run as a registered charity. This requires a board of trustees to oversee our work as a charity. Several of our existing trustees are reaching the end of their terms over the next year and we are looking for some new trustees.

What does being a trustee involve? Being a trustee means using your skills and experience (and learning new ones) to support the charity in achieving its two aims of 1) improving relationships between staff and parents; and 2) providing facilities and equipment to support the school and advance the education of our children. What we do enables makes a massive difference.

As a trustee, along with your co-trustees you are responsible for ensuring that PTA is being run and managed responsibly, reasonably and honestly; events, fundraising and the resulting purchases are aligned with the purposes of the charity and the law; and that the charity remains accountable and transparent

The charity commission sets out 6 main duties of a trustee needed to address these points and more details can be found at <https://www.gov.uk/guidance/charity-trustee-whats-involved#about-charity-trustees>.

What time do I need to commit? As a trustee, you will be expected to attend four trustee meetings a year, where the finances, events and running of the charity are discussed. In addition, trustees take on responsibility between meetings for one or more areas of our work such as: ensuring our policies are reviewed and updated on a regular basis; finances are managed appropriately; or health and safety and necessary licences are in place for events. And of course, we provide encouragement and support to the Events Committee who run the various events throughout the year.

Who can become a trustee? As long as you are over 18, a parent/carer of a child at the school or a member of staff and not disqualified by the charity commission from being a trustee then you can become a trustee. Whether you have previous experience or want to learn and gain that experience then we would love to hear from you.

If you want to know more or have an informal chat then please let the school office know and they will arrange a chat with our current chair, Steve Leach.
