VOLUNTEERING - AMAZING ON THE CV, GREAT FOR THE SOUL

Events Committee Members

Due to work commitments, many
of the current events committee
will be unable to continue holding
their positions from Sept 2019 -
while this seems a long way off, if
anyone is considering taking on a
role it would be great to have a
smooth hand over!

No one will be left in the deep
end!!

If interested in any of these
positions, please speak to
Jenny Liu, email
pta@friendsofstmarys.net or leave
your contact details in the office
for a PTA member.

Wow, what a year!

We have had a hugely successful year as a PTA, welcoming new
members and running some fabulous events!

We want to say a huge thank you to everyone who has helped
throughout the year, whether through volunteering, attending or
financial support; without a great school community we would not
be able to raise the money we do.

Pulborough's first Colour Run at the Summer Fayre was a huge
success; we have had amazing feedback and are thrilled that so
many of you had a brilliant day! The day itself raised £4,614
which we are hugely proud of!!

This, along with our charity fund-raising from other events,
donations and grants (thanks to WSCC, Tesco and Pulborough
Parish council) we have managed to raise a whopping.....

£20,486!!!!

A special thanks for cash donations must go to Led by a Star,
Pulborough Sports and Social Club and Howdens along with the
continued support of our sponsors at the fayre and donations for
raffles and of course not forgetting all the delicious cake
donations!

Without you, we would not have been able to achieve this
staggering result!

The money the PTA raise is used for extra equipment
and activities to enrich our children's opportunities
here at St Mary's.

This year the PTA has contributed **£24,538** to the
school, paying for for:

a new horizontal interactive board for KS1 (ready
for September),
the swimming pool costs including new liner and
surround,
the Christmas Pantomime,
the Pond,
Wet Play Games,
Easter Eggs AND Book Bags for all new
reception children.
