

Topic	YEAR 3 HOMEWORK - SPRING TERM 2024 - URBAN PIONEERS					I AM GOING TO CHOOSE...
<b>Literacy and Communication</b>  (YOU MUST DO AT LEAST ONE OF THESE EACH HALF TERM)	<b><u>Persuasive leaflet</u></b> Can you create a leaflet to persuade someone to come and visit Pulborough?  You could include all of the things they could do when visiting, such as going to the RSPB, local shops, etc. Make sure your leaflet is eye-catching.	<b><u>Debate</u></b> Is graffiti art or vandalism?  Have a discussion with someone at home and write up your thoughts.	<b><u>Poster</u></b> Find out about animals that live in the city, such as foxes, peregrine falcons and pigeons.  Make a poster of the animals you have researched, including their habitat and how they survive in an urban environment.	<b><u>Design your own skyscraper</u></b> Draw your own skyscraper and label using descriptive language.  Remember to include information such as its name, what it is used for and where it is located.	<b><u>Description</u></b> Imagine you are one of the people in this picture. Describe what you see, hear, smell, and how you feel in a descriptive paragraph.	1.
						2.
<b>Maths and Problem-solving</b>  (YOU MUST DO AT LEAST ONE OF THESE EACH HALF TERM)	<b><u>Car survey</u></b> Count the number of cars you see passing your house. Choose how you could represent your data. This could be through a tally chart, pictogram Or bar chart. You may like to organise the cars into make or colour.	<b><u>Measuring</u></b> Measure the feet of everyone in your house. What piece of equipment will you use for measuring? Can you order your results into largest to smallest?	<b><u>Game</u></b> Practise your Maths skills and create a game using multiplication and division facts.	<b><u>Skyscrapers</u></b> Research the tallest skyscrapers in the world. Can you order them, starting with the tallest?  <b>CHALLENGE:</b> Can you represent this data in a bar chart?	<b><u>TT Rocks</u></b> Log on to your TT Rocks account and become a Rock Legend.	1.
						2.
<b>Science and the outside environment</b>  (YOU MUST DO AT LEAST ONE OF THESE EACH HALF TERM)	<b><u>Skyscrapers</u></b> Create a model of a skyscraper using any material you can find, e.g. junk modelling, Lego, stickle bricks, etc.	<b><u>Shadow Animals</u></b> Research how to make animals shadow puppets with your hands. How many different ones can you master? Remember to take pictures of your shadow animals!	<b><u>Skeleton</u></b> Create a picture of a skeleton using pasta. Label the bones and the different types of joints, e.g. hinge, fixed and ball and socket joints	<b><u>European capital cities</u></b> Research the capital cities of Europe. How quickly can you name and locate them? Find this activity as a 2do on Purple Mash.	<b><u>Light Pollution</u></b> Using the website, <a href="https://www.darksky.org/">https://www.darksky.org/</a> Research Dark Sky places. Can you make a list including a Dark Sky place in the UK, in Europe, and somewhere else in the world? What makes them a Dark Sky place?	1.
						2.
<b>Humanities and Citizenship</b>  (YOU MUST DO AT LEAST ONE OF THESE EACH HALF TERM)	<b><u>Photography</u></b> With an adult's permission, take photos of your local area in an urban style. Can you take photos from an unusual perspective?	<b><u>Maps</u></b> Create a map of your local area. This could be your route to school, a friend's house or your favourite place. Draw the map, showing the key features, such as a road, train tracks, shops, church, school, etc.	<b><u>The Easter Story</u></b> Make puppets and recreate part of The Easter Story.	<b><u>Spanish - Research</u></b> <b><u>Spanish cities</u></b> What can you find out about Spanish cities? You could locate them on a map or make a fact file about the most interesting one.	<b><u>Cooking</u></b> Bake your own Easter treats. Write out the recipe recording the measurements you use for the ingredients and listing the instructions.	1.
