

Hello! I am Miss Aburrow and I teach Italy Class.

I studied BA (Hons) Primary Education at the University of Chichester for 3 years; I graduated in 2023 and am so excited to be working at St Mary's as my first job. During my degree training, I completed a specialism in Special Educational Needs and Disabilities, and I can't wait to implement what I have learned to support all children in my classroom.

I have danced and performed since I was 3, and I am now a dance and musical theatre teacher. This has given me the opportunity to choreograph local shows and pantomimes, working with children and adults- my eldest student was 83! The theatre is where my heart lies and I firmly believe that using drama and music in school can enhance children's learning in a profound way.

I grew up in West Sussex and am excited to be teaching so close to home, exploring the natural resources and beautiful locations which Sussex has to offer with the children. When I'm not teaching, I love to cook and try new cuisines with my partner, sharing my love of food with my friends and family - a great way to get together and socialise! Please do feel free to catch me at the end of the day or email me at italy@stmarysprimarypulborough.co.uk if you have any questions, or just want to chat about how your child is getting on.

I look forward to getting to know you as the year goes on.

Miss Aburrow 😊
