

Primary School Sports Premium Fund 2017/2018

Primary School Sports Premium Awarded	
Total Number of Pupils on Roll eligible Yrs 1-6	311
Total Sum for 2017-18	£15,020
£11,870.97 for September 2017– March 2018; £7921 for April – August 2018	
Summary of School Sports Premium	
<p><b>Objectives 2017/2018:</b>  The Sports Premium funding Grant must be used to enhance the provision of Sports and PE in the school across Years 1 – 6 to encourage participation in Sports and help pupils develop a healthy lifestyle.</p> <p>At St Mary's CofE (Aided) Primary School children receive at last 2 hours of PE per week and there are lots of extra-curricular opportunities available through clubs or inter-sport competitions. Our rationale at St Mary's is that the funding should be used in a fully inclusive manner, to benefit all children. We believe in nurturing talent but also in giving opportunities to those who that those who would not normally develop a healthy lifestyle have the opportunity to do so, especially disadvantaged pupils. We have used some of our funding to bring in specialist coaches and this has helped enhance our teacher's professional development so that the quality of provision is sustainable.</p> <p>In addition to this we are looking for good and outstanding teaching in PE across the school through tracking of planning and monitoring. The school will continue to be actively involved in Weald Locality Groups for teaching and learning and assessment/moderation of PE and part of the funding has been used for this provision.</p> <p>We have also invested in additional wrap around care with sports activities to increase attendance at the start of the school day and get more children being physically active at lunchtimes during their breaks.</p> <p>We have used the grant to help us meet the costs of entering competitions and releasing staff to support this.</p> <p>Other activities across the school have involved investing in Forest Schools to get the children outside and learning in an active way, we have funded qualifications to make this sustainable and ensure children benefit from outside learning. This has also helped with the engagement of boys as they like being active and challenged outside. The Early Years have used the funding for balance bikes to get the children moving and developing their fine and gross motor skills. From April 2018, we will be using some of the grant to ensure that pupils can swim 25 metres by the end of Year 6.</p> <p>During the last academic year, 45% of Key Stage Two pupils took part in some sort of extra-curricular activity and 15% of these children were previously inactive.</p>	

Record of spending by item/project			
Item/Project:	Cost:	Objectives:	Impact:
David Ruff	£6080	To enhance professional development for all staff. Broad and balanced curriculum delivered to the children.	Increased professional development and improved confidence in the teaching of the curriculum for all teachers in Gymnastics and Games. Greater potential within St Marys to deliver high quality provision. 45 % of KS2 pupils now participating in some enrichment sports club.
Forest Schools	£1223.32	To ensure good and outstanding teaching across the curriculum. Deliver a broad and balanced curriculum. Ensure sustainability for staff.	Continued support in the delivery of Forest School's curriculum across the school. 35 % more children being physically active e outside more across the week. Sustainability of staff to deliver this is now in place which means the quality of provision is enhanced.
Jump Start Johnny	£255.95	To ensure increased coverage of physical activity across the curriculum.	Increase in time spent doing physical activity throughout the school day for all pupils across the school. An additional hour of physical activity across the week for all pupils. Increased engagement at the beginning of lessons.
Resources	£1,383.68	To provide equipment and resources for lessons across the curriculum.	50% increase in good and outstanding PE lessons taught across the curriculum. Enabling all children to access the curriculum through a range of resources matched to needs.
Sports Events	£55	To allow children to take part in sporting events across the locality. Releasing staff to attend	Continued involvement in locality sports events and competitive sports for children in school. More children have been involved in inter-sports competitions which means children are more physically active as well as participating in hours outside of school time.
Support Barry Meany salary at the Weald for Locality sports provision	£1694	Link with other schools. Encourage play leaders and training of them. Delivering high quality lessons within school.	We have Year 5 play leaders that are encouraging games at break and lunchtimes to make children more physically active. There have been 50% less behavioural incidents on the playground due to structured games. Organisation of inter-sports activities and alternative sports event for SEND pupils and 10 children joined in with activities that they have never done before.
Lodge Hill	£971.38	Year 5 day outdoor education	To support those not selected for funding by the Lions. This enabled the children to participate in activities that they had never tried before and allowed all the children to be fully involved.
B&H Albion	£605	To support eligible children	To increase take up of football club with 35 children now participating.

			To ensure that all children are eligible and able to participate to ensure inclusion for all and build self esteem.
Sports Lessons	£480 – Year 6 £498 - YR	Include the healthy aspects of food/nutrition to aid sports activities	53 Year 6 children were able to investigate healthy life styles and the impact of exercise on their bodies. 46 Early Years children were able to take part in dance activities across the term.
PE Admin	£636	To provide support to PE co-ordinator	Continued involvement in locality sports and competitive events. This enabled more events to take place and for the children to be taken. We participated in 25 events with about 60 children getting an opportunity to represent their school
Multiskills – Breakfast and lunchtime	£1,110	Allow children to start the day with exercise. To improve attendance for groups of children. To allow the children to explore other sports/physical activities that are new to them.	Improved attendance, Three children who were persistent absentees are now attending on thee days/ Engagement of some boys is better in the mornings. More activities provided to engage pupils. More physical activity at lunchtimes with three sports clubs running and up to 90 children involved across the week.
Summary			
Total School Sports Premium received + expected		15020	
Total expenditure		12018	
Money remaining		14337	
SUSTAINABILITY		<p>More staff trained in Games and Gymnastics from YR to Y6.</p> <p>More staff trained in Forest Schools</p> <p>More physical activity across the school</p> <p>Expertise being used to look at healthy lifestyles</p> <p>More community links to allow sports to be developed and children sign posted to have their skills nurtured.</p> <p>Links with The Weald being used so that children are aware of the opportunities.</p> <p>Swimming teacher employed to help with professional development but also to get more children swimming 25 metres earlier and using self-rescue skills.</p> <p>Links between locality schools being forged to continue to run inter-sport competitions.</p>	
£1553			

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Multiskills wrap around care</p> <p>Improved teacher knowledge in Gymnastics and Games</p> <p>Engagement of boys in outdoor activities</p> <p>Engagement of hard to reach pupils in physical activity</p> <p>Exercise in the mornings to get children moving and motivated</p> <p>Play leaders trained to deliver activities</p> <p>Talented athletes</p> <p>Extra-curricular sports clubs</p>	<p>Swimming – Increased professional development for staff.</p> <p>Improved knowledge for pupils</p> <p>Not 100% swimming 25 metres or being able to self-rescue</p> <p>Scheme of work that needs to be reflective of this.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	70%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	70%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	25%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	<p>Yes – Employed swimming teacher.</p> <p>Improved range of resources.</p> <p>Ran swimming galas to add an element of competition.</p> <p>Set up after school club for Year 6</p> <p>Administration time to put together a scheme of work that is progressive and has self-rescue activities within it.</p>
