There are three different options you can choose to get the uniform. They are visible on the checkout section and are either free collection from my cabin in Storrington, paid postage to your house or free school reception pick up. I will be delivering uniforms orders to the school frequently but if you need anything in a hurry it's best to either collect from Lovely Uniforms or pay postage.

Any queries or questions please feel free to call/text on 07584 207661 or email [theteam@lovelyuniforms.co.uk](mailto:theteam@lovelyuniforms.co.uk)

**Class newsletters** – All the class newsletters have come out now so please make sure you have seen them so you know the learning that will be going on with your child. Copies of the class newsletters will go on to the website under class pages.

**Vine leaves** – Holly A and Amelie A for courage – you have been through a lot recently and you have shown yourselves to be courageous - Well done. George F for kindness and friendship, he was supporting other children to set up their Times Table Rockstars accounts and patiently explaining to them how it works - thank you.

**Just Enough** – The charity 'Just Enough' are regular visitors to our school and we love seeing them. Thank you for Just Enough for coming to visit us and tackling some PSHE issues around inclusion and anti-racism with Year 1,2, 5 and 6. The Year 1 and 2 children made some interesting comments such as; 'I loved playing with the playdough, I was making people. People are all different, 'We learned that it's not about who you are but about where you are from and how special you are', 'I loved the blind folding experiment and we had to guess who that person was. They talked about how different you feel about people when you can see them' and 'we learned about how we are all different and that is a good thing.'

**TT Rock Stars** – The bug has hit and lots of children are rehearsing their times tables through TT Rock Stars. This week the leader board winners are 1<sup>st</sup> place -Rachel (Mexico), 2<sup>nd</sup> place Buddy (China) and 3<sup>rd</sup> place Amelia (China). Overall Sierra Leone class are in the lead. If you haven't signed up for this, then please see the class teacher for log in details. It is a brilliant way to improve on times tables and have fun at the same time. The Government have now released the Year 4 multiplication tables check and we are awaiting more information on this for later on in the year. There are other programs that can be used to practise these. Try out SumDog, [www.teachingtables.co.uk](http://www.teachingtables.co.uk), multiplication.com

**The walking bus** has a great team of volunteers that walk daily, rain or shine. There are a number of children from different year groups and classes that join us, with an average of 15-20 children daily, sometimes more! Drop off is at 8.15am at the Sports and Social Club, and we walk to school at 8.30am. A member of staff joins us daily - Mrs Rashleigh joins us on Mondays, Mrs Mitchell Tuesday to Thursday and Mrs Callendar on a Friday. You don't have to drop and leave your children with us, you are more than welcome to join us on the walk. If your children walk on a regular basis they are able to earn walking bus badges. We look forward to welcoming more people on the bus this year.

**William Orrell article** – Walking Bus – On the 10th January, I walked with the Walking Bus to see how they do things there. I walked from my house to Pulborough Social Club where they started. I asked a couple of people what they thought of the Walking Bus. They gave me some good adjectives like 'fun' and so I thought it was worthy of metaphors and they gave me 'it is like riding a unicorn'. I felt very secure whilst walking across the field and they blocked the road so that we could all cross. I also liked the flashy yellow jackets. When we got to school we took off our jackets and the KS1 students stayed at the hut and the KS2 students went off to the back playground.

**Super starters: Superhero Day** – Monday saw lots of superheroes arrive in school and they looked fantastic and really got into character. This was a brilliant super starter to get the children involved in their learning. We are looking forward to seeing the learning that comes out of this inspiring theme.

**Staff training** - The staff have been reviewing our progress towards targets on our School Improvement Plan and we continued the focus on Maths this week where we learnt about bar methods. This is a visual way of teaching Maths and getting the children to understand word problems. It was fantastic and inspiring for the staff. You will begin to see this in their Maths books.

**Reading Challenge** – I have loved being in classes this week and listening to the children talking about the range of texts that they are reading and how inspired they have been. Reading is so important for children's development so please support the challenges.

**Tea and Chat sessions** – We have had one reply to the tea and chat sessions. We will see if anymore come through and then we can respond accordingly.

**Greek Day** – Then on Wednesday we watched as many children arrived in the most exquisite Greek costumes. The day really immersed them in the life of the Greeks with a banquet, Olympic sports, art and culture. Thank you to Mrs Lui, Mrs James, Mrs Smith and Ms Grassie for pitching in with the activities.

**SPLASH assembly** – We love welcoming SPLASH to school. They were able to mix drama with singing, music and lots of fun. The message was all about gratitude and saying thank you for the things that we have – no matter how small we think they are.

On the farthest edge of a wind-battered rock there sits a small fishing town. Sometimes it feels like the town is on the edge of the world. That's mainly because it is.

The Boy lives with his Grandma, forbidden from venturing beyond the shore, but the tall tales told of monsters in the deep only whet his appetite - he stares at the ocean and dreams.

Can one unlikely friendship save the Town On The Sea from catastrophe?

With live music, puppetry, a rapping octopus and a shifting set full of surprises - this enchanting tale is fun for all the family.

“*The Boy and the Mermaid is a beautiful, brave adventure about a small boy and the sea, with superb design and lively score, alongside vivid storytelling.*”

*Paper Balloon are a delight to watch!* ”

Your child is participating in the Lions Poster for Peace contest.

The Billingshurst & District Lions Club is sponsoring the contest at the 10 local Primary Schools in the Billingshurst area and, by entering this competition, your child will be joining many others in their vision of world peace. ### Prizes

The best poster in each class will receive a winner's certificate and prize - and will be submitted to the UK Lions South East regional competition, too. The runner-up in each class will receive a certificate of commendation.

The South East District Prize Winner will receive an award to keep and tokens to the value of £30 for Art products. Their school will receive an Award to keep for the year and a cheque for £100. Artwork must be original and the effort of just one child. Children entering the competition must be aged 8 to 10 years old on 31 August 2019 (ie currently in Years 3, 4 & 5).

The deadline for entries is Thursday the 14<sup>th</sup> of March 2019: The Lions will collect all entries from the School on Friday 15<sup>th</sup> of March.

### Judging

The posters will be judged by local sculptor and professional artist Mena Forte. She was for many years a school art teacher and is now a professional artist who lives and works in Tismans Common.
