

Vicky Russell

My name is Vicky Russell and I was appointed by the Local Authority to be a governor in 2005.

I sit on the Building, Health and Safety committee and Chair the Personnel and Admissions committee. I am married, with 3 boys who have all attended St Mary's, and I have been a class TA, before my present role of School Receptionist and SEND Administrative Assistant. When I'm not at school I like to cook and bake and the staff room is normally very appreciative of my "experiments"!

I also love anything to do with the sea and my ideal day would involve sailing, surfing and a large seafood supper on the beach.
