Swimming:

Our swimming lessons will take place on Wednesday morning. Please note that earrings must be removed for Swimming lessons and children with long hair will require a swimming hat. Other useful items include deodorant (no sprays please) and a hairbrush. Verruca socks must be worn if required; these can be purchased from the local chemist or pharmacy. Please make sure that sun cream or hair gel are not applied before swimming.

We require written consent if you would like your child to wear goggles for our Swimming lessons.

Forest School:

We are pleased to be resuming Forest School sessions for Key Stage 2 this term. Our sessions will take place on Thursday 27th June and Thursday 4th July. Please ensure that the children are wearing old clothes appropriate for outdoor learning as they are likely to get muddy. Long sleeved tops and trousers are essential to protect them from insect bites and scratches. Layers of clothing are recommended as these can be removed if the children get hot. The children must be wearing sturdy waterproof footwear - walking boots are best but wellies may be worn as an alternative. All children will need a named water bottle for our Forest School sessions. We would welcome any offers of parent support at our sessions - please let me know if you are able to help on either of the dates.

English:

The units to be covered this term are:

- Non-chronological reports
- Narrative
- Diary entries
- Descriptive writing

Maths:

This term, we will be covering the following units:

- Fractions, decimals and percentages
- Shape
- Position and Direction
- Negative numbers
- Measurement and Converting units

We will continue to timetable mental maths, arithmetic and problem-solving activities regularly.

Science:

We will be continuing with our unit on Materials. This will be followed by 'Living Things and their Habitats' and 'Animals including Humans.'

Relationship and Health Education:

This term we will be learning about 'Managing Risk: Drugs, Alcohol and Tobacco.'

Computing:

This term we will be looking at 3D Modelling and Coding.

History:

During the second half of term, we will discover the true and tragic story of the Titanic on its debut trip.

Geography:

We will be learning about oceans around the world and the environmental dangers that they are facing. We will then research coral reefs and produce an information page about this habitat.

RE: This term, our Christianity unit is 'Gospel.' This will be followed by our second unit on Hinduism.

Art: We will study the work of contemporary sculptor Courtney Mattison and illustrator Yellena James. The children will be learning about what inspired these artists to produce sculptures and line drawings of coral and creating their own interpretations using a range of materials.

Spanish: This half term, the children will be studying the Aztecs. Year 5 will then learn about 'Telling the Time'.

PE: The children will need to bring their PE kits into school each week. Athletics and Outdoor Games will be taught by the Sports Talent Academy coaches on Thursdays. Please ensure that children's PE kits are brought in on a Monday morning. They will remain in school all week and will then come home to be washed on a Friday. All kit must be clearly named, long hair must be tied back and earrings must be removed for PE sessions. Children should have PE shirts, shorts, outdoor shoes, long trousers and jumper or tracksuit for outdoors in their PE kits.

Homework:

- **Reading logs:** Please ensure your child reads to you, or independently, weekly and that this is signed and dated. This will form an important part of my assessment for reading and dialogue between home and school. My expectation is three entries per week. Reading logs will be checked daily and home

reading will be rewarded with dojo points. Please encourage your children to complete Accelerated Reader quizzes when books are finished.

- **Weekly spellings:** We will continue to set spellings each Monday and test on the following Monday. Please note that there will be no spellings set for Year 5 during residential week.
- **Homework:** Half-termly homework grids will be shared on Google Classroom. Please ensure that your child completes one piece of homework from the grid each week.
- **TT Rockstars:**
- We will be continuing to use TT Rockstars to support our times tables learning. Please do encourage your children to practise their times tables at home on a weekly basis - daily practice of even five minutes will quickly show improvements.

Important Information:

Please note that we are a nut-free school. We politely request that you ensure your child does not bring nuts into school, either as a snack or in their packed lunches. This includes any food item that may contain nuts.

If you have any questions or concerns, please feel free to contact me via telephone or via the class email address: mexico@stmarysprimarypulborough.co.uk
