

Primary School Sports Premium Fund 2018/2019

Primary School Sports Premium Awarded	
Total Number of Pupils on Roll eligible Yrs 1-6	311
Total Sum for 2018-19	
£ for September 2018– March 2019; £ for April – August 2019	
Summary of School Sports Premium	
<p>Objectives 2018/2019:</p> <p>The Sports Premium funding Grant must be used to enhance the provision of Sports and PE in the school across Years 1 – 6 to encourage participation in Sports and help pupils develop a healthy lifestyle.</p> <p>At St Mary's CofE (Aided) Primary School children receive at last 2 hours of PE per week and there are lots of extra-curricular opportunities available through clubs or inter-sport competitions. Our rationale at St Mary's is that the funding should be used in a fully inclusive manner, to benefit all children. We believe in nurturing talent but also in giving opportunities to those who that those who would not normally develop a healthy lifestyle have the opportunity to do so, especially disadvantaged pupils. We have used some of our funding to bring in specialist coaches and this has helped enhance our teacher's professional development so that the quality of provision is sustainable.</p> <p>In addition to this we are looking for good and outstanding teaching in PE across the school through tracking of planning and monitoring. The school will continue to be actively involved in Weald Locality Groups for teaching and learning and assessment/moderation of PE and part of the funding has been used for this provision.</p> <p>We have also invested in additional wrap around care with sports activities to increase attendance at the start of the school day and get more children being physically active at lunchtimes during their breaks.</p> <p>We have used the grant to help us meet the costs of entering competitions and releasing staff to support this.</p> <p>Other activities across the school have involved investing in Forest Schools to get the children outside and learning in an active way, we have funded qualifications to make this sustainable and ensure children benefit from outside learning. This has also helped with the engagement of boys as they like being active and challenged outside. The Early Years have used the funding for balance bikes to get the children moving and developing their fine and gross motor skills. From April 2018, we will be using some of the grant to ensure that pupils can swim 25 metres by the end of Year 6.</p>	

Record of spending by item/project			
Item/Project:	Cost:	Objectives:	Expected Impact:
Forest Schools	£2631 TA £4800 Leader	To ensure good and outstanding teaching across the curriculum. Deliver a broad and balanced curriculum. Ensure sustainability for staff.	Continued support in the delivery of Forest Schools curriculum across the school. Children being physically active by being outside more across the week. Sustainability of staff to deliver this is now in place.

To allow the children to explore other sports/physical activities that are new to them.	Improved attendance Engagement of some boys better in the mornings. More activities provided to engage pupils. More physical activity at lunchtimes.
Summary			
Total School Sports Premium received + expected			
Total expenditure		£12180 to date	
Money remaining			
SUSTAINABILITY		<p>More staff trained in Forest Schools</p> <p>More physical activity across the school</p> <p>Expertise being used to look at healthy lifestyles</p> <p>More community links to allow sports to be developed and children sign posted to have their skills nurtured.</p> <p>Links with The Weald being used so that children are aware of the opportunities.</p> <p>Links between locality schools being forged to continue to run inter-sport competitions.</p>	

Key achievements to date:	Areas for further improvement and baseline evidence of need:
---------------------------	--

<p> Multiskills wrap around care Improved teacher knowledge in Gymnastics and Games Engagement of boys in outdoor activities Engagement of hard to reach pupils in physical activity Exercise in the mornings to get children moving and motivated Play leaders trained to deliver activities Talented athletes Extra-curricular sports clubs including breakfast and lunchtime clubs. </p>	<p> Swimming – Ongoing professional development for staff and improved knowledge for pupils. Not 100% swimming 25 metres or being able to self-rescue. </p>
--	--

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	<p>Yes – Employed swimming teaching.</p> <p>Improved range of resources.</p> <p>Set up after school club.</p> <p>Administration time to put together a scheme of work that is progressive and has self-rescue activities within it.</p>
